PROSPECTUS

The undersigned propose to commence the publication of a newspaper at Florence, Darlington county, South Carolina, about the 10th of December next, provided we can procure the names of six hundred (600) subscribers in the meantime. This paper will be called

THE PIONEER, and will be devoted to the INTERESTS OF THE PEOPLE. It will be a live, spicy paper, discoursing in a bold outspoken manner upon all the general topics of the day.
In politics the paper will be Conservative. though our motto, "Justice to All," will be strictly adhered to. We shall strive every week to give our readers a full and accurate account of all matters of interest, but the Local Department shall receive special attention. With a perfect knowledge of the mechanical department, together with some experience as editorial writers, we think we can safely promise our patrons a paper that will compare most favorably with the best newspapers in the State. We shall seek to foster and promote the best interests of the people of our immediate section, and that which is most beneficial to the whole country at large. We shall have a Literary Department which will be supplied from the very best of our literary exchanges. Our Agricultural department will receive special attention, and to that department we respectfully invite contributions from all farmers of practical experience. In short, it will be a newspaper for the mil lion, giving information to all classes of readers A prominent feature in our paper will be a full and correct report of the mark-ts and telegraphic dispatches.

In order to place our paper within reach o
